

§ 253.19

are required of the applicant's attorneys, contractors or other agents. Applicants are responsible for all attorney's fees, as well as those of any other private contractor. Attorneys and other contractors must be satisfactory to the Program.

(d) *Closing schedules.* The Program will not be liable for adverse interest-rate fluctuations, loss of commitments, or other consequences of an inability by any of the parties to meet the closing schedule.

§ 253.19 Dual-use CCF.

The Program may require the pledge of a CCF account or annual deposits of some portion of the project property's net income into a dual-use CCF. A dual-use CCF provides the normal CCF tax-deferral benefits, but also gives the Program control of CCF withdrawals, recourse against CCF deposits, ensures an emergency refurbishing reserve (tax-deferred) for project property, and provides additional collateral.

§ 253.20 Fees.

(a) *Application fee.* See §§ 253.10 and 253.12(b).

(b) *Guarantee fee.* For existing Guaranteed Loans, an annual guarantee fee will be due in advance and will be based on the guaranteed note's repayment provisions for the prospective year. The first annual guarantee fee is due at guarantee closing. Each subsequent guarantee fee is due and payable on the guarantee closing's anniversary date. Each is fully earned when due, and shall not subsequently be refunded for any reason.

(c) *Refinancing or assumption fee.* The Program will assess a fee of one quarter of one (1) percent of the note to be refinanced or assumed. This fee is due upon application for refinancing or assumption of a guaranteed or direct loan. Upon submission, the fee shall be non-refundable. The Program may waive a refinancing or assumption fee's payment when the refinancing or assumption's primary purpose will benefit the United States.

(d) *Where payable.* Fees are payable by check to "U.S. Department of Commerce/NOAA." Other than those collected at application or closing, fees are payable by mailing checks to the

50 CFR Ch. II (10–1–11 Edition)

"U.S. Department of Commerce, National Oceanic and Atmospheric Administration, National Marine Fisheries Service," to such address as the Program may designate. To ensure proper crediting, each check should include the official case number the Program assigns.

§ 253.21 Demand by guaranteed noteholder and payment.

Every demand by the guaranteed noteholder must be delivered in writing to the Program and must include the noteholder's certified record of the date and amount of each payment made on the guaranteed note and the manner of its application. The only period during which a guaranteed noteholder can make demand for a payment default begins on the thirty-first day of the payment default and continues through the ninetieth day of a payment default. The noteholder must possess evidence of the demand's timely delivery.

§ 253.22 Program operating guidelines.

The Program may issue policy and administrative guidelines, as the need arises.

§ 253.23 Default and liquidation.

Upon default under the terms of any note, guarantee, security agreement, mortgage, or other security document the Program shall take remedial actions including, but not limited to, where appropriate, retaking or arrest of collateral, foreclosure, restructuring, debarment, referral for debt collection, or liquidation as it deems best able to protect the U.S. Government's interest.

§ 253.24 Enforcement violations and adverse actions.

(a) *Compliance with applicable law.* All applicants and Program participants shall comply with applicable law.

(b) *Applicant disqualification.* (1) Any issuance of any citation or Notice of Violation and Assessment by NMFS enforcement or other enforcement authority may constitute grounds for the Program to:

- (i) Delay application or approval processing;
- (ii) Delay loan closing;

(iii) Delay disbursement of loan proceeds;

(iv) Disqualify an applicant or obligor; or

(v) Declare default.

(2) The Program will not approve loans or disburse funds to any applicant found to have an outstanding, final and unappealable fisheries fine or other unresolved penalty until either: Such fine is paid or penalty has been resolved; or the applicant enters into an agreement to pay the penalty and makes all payments or installments as they are due. Failure to pay or resolve any such fine or penalty in a reasonable period of time will result in the applicant's disqualification.

(c) *Foreclosure in addition to other penalties.* In the event that a person with an outstanding balance on a Program loan or guarantee violates any ownership, lease, use, or other provision of applicable law, such person may be subject to foreclosure of property, in addition to any fines, sanctions, or other penalties.

§ 253.25 Other administrative requirements.

(a) *Debt Collection Act.* In accordance with the provisions of the Debt Collection Improvement Act of 1996, a person may not obtain any Federal financial assistance in the form of a loan (other than a disaster loan) or loan guarantee if the person has an outstanding debt (other than a debt under the Internal Revenue Code of 1986) with any Federal agency which is in a delinquent status, as determined under standards prescribed by the Secretary of the Treasury.

(b) *Certifications.* Applicants must submit a completed Form CD-511, "Certifications Regarding Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements and Lobbying," or its equivalent or successor form, if any.

(c) *Taxpayer identification.* An applicant classified for tax purposes as an individual, limited liability company, partnership, proprietorship, corporation, or legal entity is required to submit along with the application a taxpayer identification number (TIN) (social security number, employer identification number as applicable, or reg-

istered foreign organization number). Recipients who either fail to provide their TIN or provide an incorrect TIN may have application processing or funding suspended until the requirement is met.

(d) *Audit inquiry.* An audit of a Program loan may be conducted at any time. Auditors, selected at the discretion of the Program or other agency of the United States, shall have access to any and all books, documents, papers and records of the obligor or any other party to a financing that the auditor(s) deem(s) pertinent, whether written, printed, recorded, produced or reproduced by any mechanical, magnetic or other process or medium.

(e) *Paperwork Reduction Act.* The application requirements contained in these rules have been approved under OMB control number 0648-0012. The applications for the halibut/sablefish QS crew member eligibility certificate have been approved under OMB control number 0648-0272. Notwithstanding any other provisions of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB control number.

§ 253.26 Traditional loans.

(a) *Eligible projects.* Financing or refinancing up to 80 percent of a project's actual cost shall be available to any citizen who is determined to be eligible and qualified under the Act and these rules, except—

(1) The Program will not finance the cost of new vessel construction.

(2) The Program will not finance a vessel refurbishing project that materially increases an existing vessel's harvesting capacity.

(b) *Financing or refinancing.* (1) Projects, other than those specified in paragraphs (a) (1) and (a)(2) of this section, may be financed, as well as refinanced.

(2) Notwithstanding paragraph (a)(1) of this section, the Program may refinance the construction cost of a vessel whose construction cost has already been financed (or otherwise paid) prior to the submission of a loan application.
